a) Planning applications to be considered:

161393 Buildings at Little Tarrington Farm, Little Tarrington, HR1 4JA

Retrospective planning application for the change of use of former agricultural buildings for commercial use (Class B2)

Parish Council comment: The Parish Council are disappointed that this is a retrospective application but do support the application as it is an asset to the parish providing employment. However the parish council hope that consideration is given to the capacity of the existing septic tank, the extra foul water and run off water arrangements and the recycling of waste products particularly if further expansion is anticipated.
